# Applying for a Build Rank

# Applying for a Warp

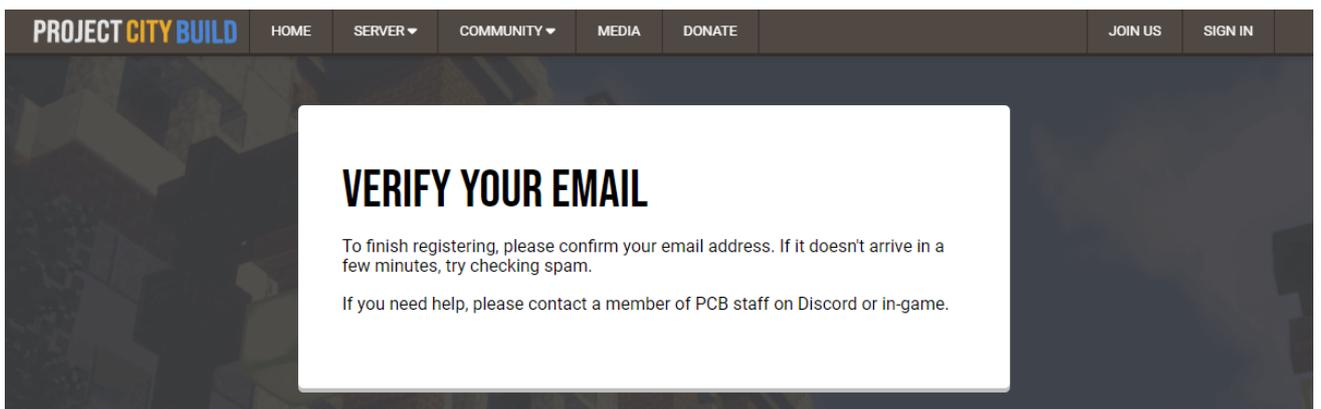

# Register as a Member

1. Visit <https://projectcitybuild.com/register> and complete the registration form.

The screenshot shows the 'CREATE AN ACCOUNT' registration form on the Project City Build website. The form is centered on a dark background with a geometric pattern. At the top, there is a navigation bar with the following items: PROJECT CITY BUILD, HOME, SERVER, COMMUNITY, MEDIA, DONATE, JOIN US, and SIGN IN. The form itself is a white box with the following fields and elements:

- CREATE AN ACCOUNT** (Section Header)
- Email Address (Label) and a text input field with 'Email Address' placeholder text.
- Username (Label) and a text input field with 'Username' placeholder text.
- Password (Label) and a text input field with 'Password' placeholder text.
- Password (Confirm) (Label) and a text input field with 'Password (Confirm)' placeholder text.
- I agree to the [terms and conditions](#) and [privacy policy](#).
- > REGISTER** (Orange button)

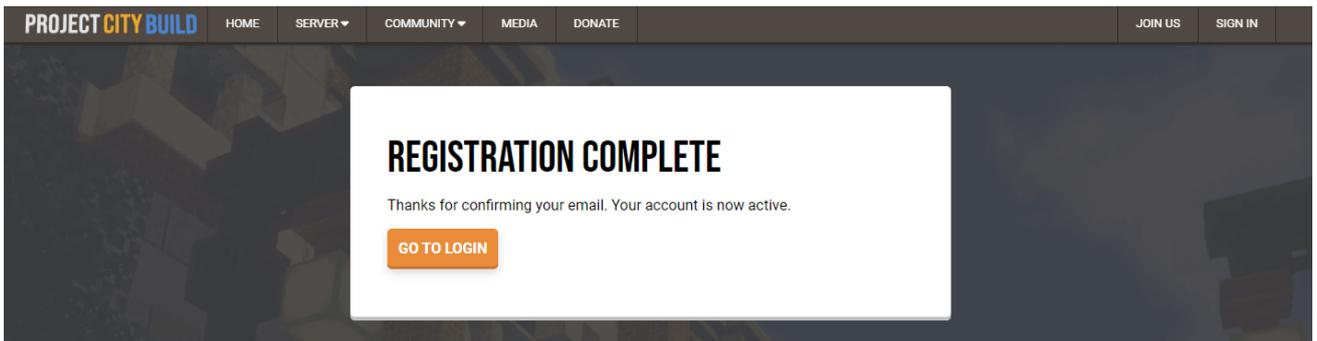

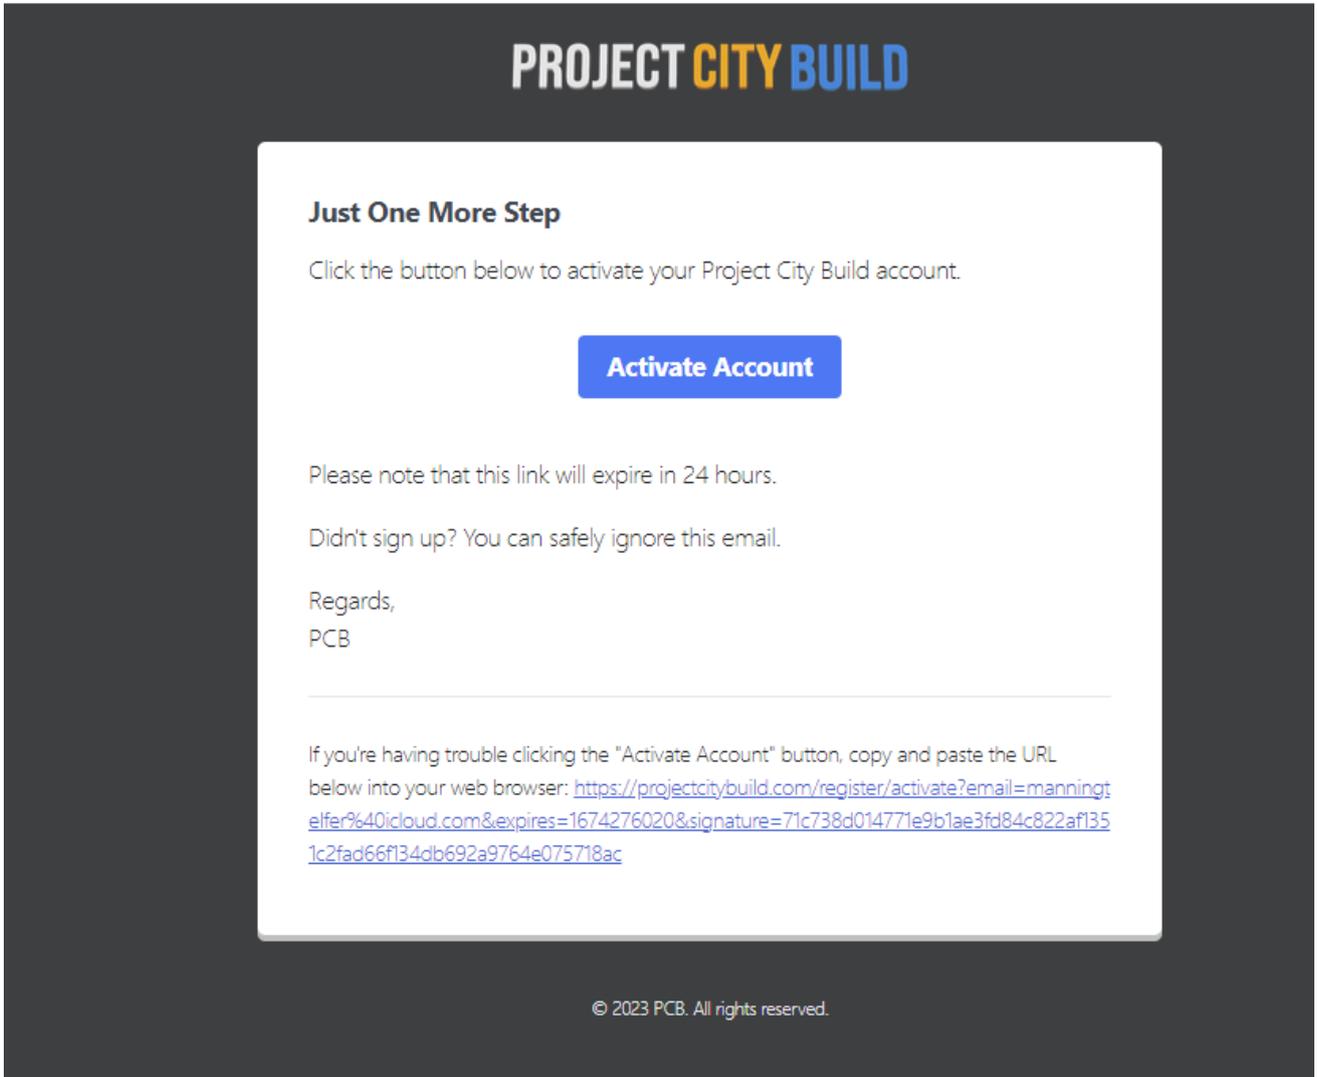

The screenshot shows the 'VERIFY YOUR EMAIL' page on the Project City Build website. The page has the same navigation bar as the registration form. The main content is a white box with the following text:

- VERIFY YOUR EMAIL** (Section Header)
- To finish registering, please confirm your email address. If it doesn't arrive in a few minutes, try checking spam.
- If you need help, please contact a member of PCB staff on Discord or in-game.

2. Activate account by clicking link in email, and you will see a "Registration Complete" message.

## Activate Your PCB Account

3. Sign into your new Project City Build account.

## GAME ACCOUNTS

### ✓ ACCOUNT LINKED

Your Minecraft account has been successfully linked to your PCB account. Please run the `/sync finish` command in-game to finish the process.

The game accounts you've linked to your PCB account. Linked accounts will automatically receive your rank.

 MINECRAFT · SEEN 1 HOUR AGO
