The December 2020 [United Republic of Corallium](#) presidential election was the second election to occur in Corallium. Incumbent President jmvvana stood as a candidate for both President and Prime Minister, incumbent Prime Minister NoMalarkey (also known as MattDB) stood as a candidate for President, and Andre\_Dre stood as a candidate for Prime Minister.

MattDB and Andre\_Dre were elected to the offices of President and Prime Minister. The incoming administration chose to change the title of Prime Minsiter to Vice President. Both were inaugurated in a ceremony in Antilles (now Prima) on December 19, 2020.

During the Presidential transition, NoMalarkey named \_Travis as the transition manager.
