

Bloc Genèvevois

Overview

The **Bloc Genève** is a political party in the Lucitan Republic. It was founded in 2025 as a regionalist political party within Naughte and Genevensis. In the Lucitan Parliament, the Bloc Genève does not currently hold official party status, though holds few seats. Within the Region of Naughte and Genevensis, however, the Bloc is currently the Official Opposition to the government of Premier MattDB of the Neoliberal Peoples' Action Front.

The party is currently headquartered in Naughton, the capital of the Region of Naughte and Genevensis. Despite being a regional nationalist party, it does not currently support breaking off from the Lucitan Republic; though held such a position in the past.
